University</a></span>, the nation's premier degree-awarding institute, is the
first of its kind in South Asia. It is a government-owned self-financed institute
that operates under the purview of the Ministry of Education. As a leading
educational centre in the country, NSBM has evolved into becoming a highly
responsible higher education institute that offers unique opportunities and
holistic education on par with international standards while promoting
sustainable living.

        NSBM offers a plethora of undergraduate and postgraduate degree
programmes under five faculties: Business, Computing, Engineering, Science and
Postgraduate & Professional Advancement. These study programmes at NSBM are
either its own programmes recognied by the University Grants Commission and the
Ministry of Higher Education or world-class international programmes conducted in
affiliation with top-ranked foreign universities such as University of Plymouth,
UK, and Victoria University, Australia.

        Focused on producing competent professionals and innovative
entrepreneurs for the increasingly globalising world, NSBM nurtures its graduates
to become productive citizens of society with their specialisation ranging in
study fields such as Business, Management, Computing, IT, Engineering, Science,
```

Psychology, Nursing, Interior design, Quantity Surveying, Law and Multimedia.

        Inspired by the vision of being Sri Lanka's best-performing
graduate school and being recognised internationally, NSBM currently achieves
approximately 3000 new enrollments per year and houses above 11,000 students
reading over 50 degree programmes under 4 faculties. Moreover, over the years,
NSBM Green University has gifted the nation with 14,000+ graduates and has proved
its global presence with an alumni network spread all across the world.

        Nestling on a 40-acre land amidst the greenery and serenity in
Pitipana, Homagama, NSBM Green University, is an ultra-modern university complex
constructed with state-of-the-art facilities and amenities that provides the
perfect setting for high-quality teaching, learning and research.</p>
